

Emergency Medical Services (EMSAC) / Drug Shortage Committee
Conf. Call
May 7, 2013

The meeting began by Desi Lassiter calling roll.

- Chairman Richter began the meeting by presenting the legislative position paper that team members developed. Discussion was held. He will be reviewing the information with John Bixler and discuss the next order for presentation.
- Bound Tree Medical list of medications were then presented.
- In regards to the Drug Shortage website, Chairman Richter stated that the website should be available within the next few weeks.
- Lastly, Chairman Richter proposed to the committee that the conference call be held once a month rather than every two weeks. He will send a survey out regarding the dates and times.
- Desi Lassiter will forward the position paper to the EMSAC for their review.

After calling for any further business, and there being none, Chairperson Richter called for the meeting to be adjourned.
